6th Annual INLA Day of Service - Save the Date!

The sixth annual INLA Day of Service is on **September 13, 2017** and the Iowa Nursery & Landscape Association will help On With Life, Inc. with landscaping projects on their Ankeny campus.

INLA plans to begin at 9 a.m. and will have a volunteer meeting shortly before starting. Please wear sunscreen and bring a hat! We are providing lunch on-site for all volunteers. Participating volunteers will also receive a t-shirt for helping in our sixth annual Day of Service. We hope to be finished around 4 p.m. make sure you stick around for our group photo!

On With Life Inc., is a not-for-profit organization and a Midwest leader in brain injury rehabilitation. They began as the dream of a dedicated, passionate group of survivors and their families, faced with the challenge of rebuilding lives shattered by brain injury. The Ankeny campus sits on 20 acres of land and was the starting point of On With Life when we opened in 1991. www.onwithlife.org.

To volunteer during the INLA Day of Service please contact Joan O'Brien 515-262-8323 or joano@agribiz.org.
