The Iowa Nursery and Landscape Association (INLA) helped mark the Iowa Arboretum's 50th anniversary with our annual Day of Service on September 11, 2018 in Madrid.

This annual day of service brought together INLA professionals and horticulture students from area community colleges and universities for a day benefiting Iowa organizations and communities.

Students from Iowa State University, Kirkwood Community College, and Des Moines Area Community College participated this year.

The students and member companies of INLA installed new landscape plants and a splash fountain around the Hughes Education Center, and installed paver and flagstone walkways at the Kroeze Tea house at the Iowa Arboretum.

"INLA members played an important role in starting the Iowa Arboretum back in 1968. It is only fitting that we return to the Iowa Arboretum to recognize this historic achievement." said John Hughes, INLA president. ***Thank you to all that volunteered!***

# SAVE THE DATE! 2019 INLA TRADE SHOW

---

The Iowa Nursery and Landscape Association (INLA) trade show committee and board of directors would like to invite exhibiting companies to reserve your booth today! Exhibitor registration for the INLA Trade Show is open and deadlines for payment is January 2, 2019.

We invite you to Ames and to the biggest and best horticultural nursery event in the State of Iowa! The show averages over 700 horticulture, tree, and landscape experts in one location to learn, share and promote our industry together.

The annual partnership between Iowa State's Shade Tree Short Course, the Iowa Nursery & Landscape Association and the Iowa Arborist Association Trade Show on February 19-21, 2019, brings exhibitors an even bigger, better opportunity to connect with potential clients by highlighting the best of both worlds and incorporating INLA's long-standing trade show into the traditional ISU Shade Tree Short Course educational sessions.

Attendees will vary from INLA members, IA Arborist members, to municipal employees and some general public horticulture enthusiasts. Your participation is critical to the excitement of our conference, association, and statewide horticulture industry.

We encourage all INLA members to participate in the Horticulture Scholarship Dinner & Auction. The annual dinner and auction will be on Wednesday, February 20 beginning at 5 pm at Reiman Gardens. All proceeds from this event go to the INLA Horticulture Scholarships.

**To participate in the auction,** list the items that you will be donating and their estimated value on page 5 of the exhibitor packet. Monetary donations need to be included in the grand total and returned with your registration form.

Companies wanting to exhibit can visit [www.iowanla.org](http://www.iowanla.org) to download the exhibitor registration. Please complete pages 4 and 5 and return to the INLA office with payment by January 2, 2019.

If you have any questions please contact us 515-262-8323.

## **Attendees:**

Attendee information will be available soon and communicated once available from ISU Extension.

## **Add these dates to your calendar today:**

- Feb 19 - ICNP Testing
- Feb 20 - INLA Reception & Scholarships
- Feb 21 - Trade Show & Workshops

## **Hotel Information:**

INLA is not responsible for hotel reservations during the conference. Please contact the hotel directly:

Country Inn & Suites | 515-223-3935

2605 SE 16th St, Ames, IA 50010

Rate: \$109/ per night + tax **Cut off date: Jan 19, 2019**

## **Exhibitors & Sponsors:**

FINAL PAYMENTS DUE JANUARY 2, 2019

All final booth assignments will be made after January 2, 2019. Remember: booths 1-19 are reserved for sponsors of the show. To become a sponsor fill out page 5 of the exhibitor packet.

Please visit: <http://iowanla.org/63rd-annual-isu-shade-tree-short-course-inla-trade-show/> to register as an exhibitor OR if you have questions email Joan O'Brien [joano@agribiz.org](mailto:joano@agribiz.org).

---

## Neonic Survey

---

University of Florida researchers launched a nationwide study to assess the effects of neonicotinoid bans and restrictions on the economic feasibility of pest management. The study is geared to growers throughout the U.S. with professional experience in neonic crop protection tools.

Association grower members are encouraged to complete the survey using the following link. The first 200 respondents will receive \$25 electronic gift cards.

View Survey: [https://uffed.qualtrics.com/jfe/form/SV\\_d1pM94wnZmvygTz](https://uffed.qualtrics.com/jfe/form/SV_d1pM94wnZmvygTz)

## Cultivate'19

---

AmericanHort will host Cultivate'19—the premiere event for the entire horticulture industry—at the Greater Columbus Convention Center July 13-16, 2019. The 90th annual event will attract more than 10,000 industry professionals and visitors from all 50 states and over 30 countries. Here are some quick facts about Cultivate'19. Cultivate'19 will host more than 650 exhibitors from 18 different countries, including 135 exhibitors from outside the U.S. More than 150 educational sessions, workshops and tours will take place at Cultivate'19.

More Information: <http://www.cultivate19.org/>

## America Isn't Ready For The Lanternfly Invasion

This February, U.S. Secretary of Agriculture Sonny Perdue announced that his department was committing \$17.5 million to stem the lanternfly's spread. In a sense, it was already too late. The lanternfly had been spotted in New York a few months earlier and in Virginia weeks before. Three New Jersey counties are under quarantine after confirmed sightings in July. Delaware and Maryland are both on alert.

State and federal entomologists have recommended a few containment strategies, but they don't yet have a foolproof way to kill, or even count, the bug. If they can't find a solution, lanternflies could infest forests all along the Atlantic seaboard, giving communities from New England to Florida an intimate look at what Penn State entomologist Tom Baker calls "the weirdest, most pernicious insect I've ever seen."

Story from: <https://www.bloomberg.com/news/features/2018-10-02/america-isn-t-ready-for-the-lanternfly-invasion>
