NEWS

Official Notice: INLA Annual Member Meeting

What: INLA Annual Member Meeting
Where: Scheman Building, ISU
Date: Wednesday, February 26
Time: Noon

Attention INLA Members, you are invited to join us for our annual member meeting on Wed, February 26th at noon during the STSC in Ames.

See you there!

HOTEL INFORMATION

INLA is not responsible for making hotel reservations during the annual trade show. Please call the Country Inn & Suites in Ames directly to make reservations for your stay. Please reference the "Iowa Nursery & Landscape Association" to receive the group discount of \$109/per night (plus taxes). Group discounts expires on January 24, 2020.

Country Inn & Suites

515-233-3935 | 2605 SE 16th St, Ames, IA 50010

ISU Shade Tree Short Course & INLA Trade Show

We invite you to Ames and to the biggest and best horticultural nursery events in the State of Iowa! The show averages over 700 horticulture, tree, and landscape experts in one location to learn, share and promote our industry together.

The annual partnership between Iowa State's Shade Tree Short Course, the Iowa Nursery & Landscape Association and the Iowa Arborist Association Trade Show on February 25-27, 2020, brings exhibitors an even bigger, better opportunity to connect with potential clients by highlighting the best of both worlds and incorporating INLA's long-standing trade show into the traditional ISU Shade Tree Short Course educational sessions.

We encourage all INLA members to participate in the Horticulture Scholarship Reception, Auction, and Awards. The auction is on Wednesday, February

25 beginning at 5:00 pm at Reiman Gardens. All proceeds from this event go to the INLA Horticulture Scholarships. Everyone is invited to attend, no ticket needed.

Add these dates and time to your calendar:

- Feb 25 - ICNP Testing - 1 PM
- Feb 25 - ICNP Training - 1 PM
- Feb 26 - INLA Annual Meeting - Noon
- Feb 27 - Trade Show Open - 8-5 PM
- Feb 26 - INLA Reception & Scholarships - 5-7 PM
- Feb 27 - Trade Show Open - 8-4 PM

See next page for full conference agenda or view brochure online: <https://www.extension.iastate.edu/registration/events/ShadeTreeBrochure.pdf>

Register online at: <https://www.regcytes.extension.iastate.edu/shadetree/register/>

Congratulations!

Congratulations to our scholarship recipients this year. ISU Haber Scholarship; Luke Dietrich – West Des Moines, Iowa. Community College Scholarship; Taylor Greko of Kirkwood Community College.

HortEcology Design Workshop

The Greater Des Moines Botanical Gardens announced the winter schedule for their HortEcology™ Design Workshops. The next workshops are lead by Kelly Norris, Botanical Garden and Lisa Orgler, Iowa State University.

Kelly D. Norris is an award-winning author and plantsman from Iowa and the director of horticulture and education at the Greater Des Moines Botanical Garden, a revitalized public garden in Des Moines, Iowa. At the Botanical Garden, Kelly is responsible for leading and directing a team of horticulturists and educators in all aspects of design, curation, programming, and garden management, after serving as the principal horticulture consultant to the \$18 million renovation project completed in 2014.

Lisa Orgler is an award-winning designer, artist and educator, she is the creator of the website Paper Garden Workshop, a spirited place to learn garden design. Lisa uses her illustration skills to teach the topics she adores - garden design and landscape graphics. She does this full time in the Department of Horticulture at Iowa State University, plus part-time on her website.

HortEcology™ Design Workshop

- Kelly Norris, Botanical Garden
- Lisa Orgler, Iowa State University

Thursdays, Feb. 13, 20 and 27, 6-8 p.m.

Join Director of Horticulture and Education Kelly Norris and Iowa State University Horticulture Senior Landscape Architect Lisa Orgler in a three-part series aimed at making your garden beautiful and functional. Learn to adapt wild plant communities and ecology for the home garden and develop a planting plan for a project of your choice.

HortEcology™ Design Workshop

- Kelly Norris, Botanical Garden

Thursdays, April 2, 9, and 16, 6-7:30 p.m.

This course is a follow-up to the HortEcology™ Design Workshop but can be taken by anyone interested in gardening on the wild side. During the two part course, participants learn to implement naturalistic planting designs and ecologically manage these spaces for beauty and interest.

Visit <https://www.dmbotanicalgarden.com/> for details.
