INLA Day of Service ...	1
Obituary: Cafferty	2
Iowa Arboretum Help Needed	2
AmericanHort CFAP Webinar	2
INLA Dues	3

Dear INLA Members,

I hope this letter finds you making the best of a very crazy time! Hopefully all of you who may have been adversely affected by the recent Derecho, have gotten the help you need, and if not, please feel free to reach out to INLA and we can try to help. With all the adversity we've faced in the past eight months, 2020 will go down as year we won't soon forget. The good news is- we are all in this together and we are Iowa Strong!

Your INLA board has been committed to the continued growth of our association as well as the green industry in Iowa. Our annual INLA Day of Service volunteer event, held each year in September, has been a great example of one way we could provide opportunities for students and landscape professionals to connect, learn and work together to give back to our communities.

For the past several weeks the Day of Service committee has been discussing how the event might look this year. Unfortunately, due to daily challenges of living and working in a pandemic, concerns about large gatherings and restrictions to student travel, the decision has been made to cancel the 2020 Day of Service.

Our plan is to bring the Day of Service back better than ever in 2021. If you have supported this event on your dues statement in the past, please continue to do so this year. We will save any donations for next year's project which is tentatively set to be at the Cedar Valley Arboretum & Botanic Gardens.

Stay well!

Shawna

Obituary: Phillip Jesse Cafferty

July 7, 1946 - July 14, 2020

Phillip Jesse Cafferty age 74 of Mesa, Arizona, and formerly of Ames, passed away July 14, 2020, in Mesa.

Graveside inurnment services will be held at 10:30 a.m., Friday August 21, 2020, at the Story Memorial Gardens in Ames, with Rev. David Burling of Bethany Life in Story City officiating. Military honors will be conducted by American Legion Post 37 of

Ames. Due to COVID restrictions, face masks are encouraged, and people are encouraged to bring their own chair and social distancing will be practiced.

Phillip was born July 7, 1946, in Ames the son of Lloyd and Katie (Campbell) Cafferty. He graduated from Ames High School in 1964, and then enlisted in the U.S. Army and served in Vietnam. After leaving the service he attended Kirkwood Community College in Cedar Rapids, Iowa, where he met Linda Foland, they married in 1969. After Linda's death in 1980, he married Sue Mortenson in 1985.

Phillip worked with his father at the Ames Nursery, until retiring in 2005. He was a member of the Iowa Nurserymen Association and the Ames Jaycees, where he had served as president. Phil believed in hard work and good luck. He expanded his father's nursery business into a landscaping firm which brought beauty and function to homes in the area.

Phil loved freedom, fun, and dancing the two-step. In retirement, he lived the adventure of traveling in an RV full-time and visiting exotic places outside of the US. When reflecting upon his life, he said "I've always been a lucky guy." He's now freed to a new adventure.

He is preceded in death by his parents, Lloyd Cafferty and Katie Campbell Cafferty Shaul; and his sister, Lois Jean Cafferty McWilliams.

Phil is survived by his son, Jonathon P. (Maire) Cafferty of Iowa City, IA; his two brothers, Glen Cafferty of Vancouver, WA and Dennis Cafferty of Durham, NC; and his sister, Peggy Peterson of Marshalltown, IA.

Funeral arrangements are under the direction of the Adams Funeral Home and online condolences may be left to Phillip's family at www.adamssoderstrum.com In lieu of flowers, memorial contributions may be directed to the American Legion Post 37 of Ames.

Iowa Arboretum In Need Of Equipment & Labor Following Storm

INLA received the following note from Mark Schneider, Executive Director of the Iowa Arboretum:

The Arboretum experienced a derecho storm on Monday that impacted much of the Midwest. Winds gusting over 80 miles per hour whipped through the Arboretum and caused damage to over 500 specimen trees on the main campus. Over 100 trees have to be removed from the grounds. The arboretum is now closed as the staff and volunteers start the long and arduous task of cleaning up and restoring the grounds.

We are in need of equipment and person-power to help clean up the grounds. Any assistance INLA can offer would be greatly appreciated.

Thank you,
Mark Schneider
Executive Director, Iowa Arboretum
